

MACC New Racer Information

Welcome to MACC! We are excited you're joining us this season and we hope you have a great time racing with us. You will receive a welcome email from our Director of Registration before you race with us. In the meantime, here are a few things you may want to know before our first race.

Bib Pick-Up

You can pick up your new race bib in our Registration office on race day. Our registration office is located in the Othmar Chalet near the base of the F.I.S. slope, just slightly uphill from where you load the Superbowl chairlift. Due to COVID-19 our Registration Office Hours have not yet been determined, but they will be posted on our website before the start of the season.

Race Schedule

You can view our race schedule here: <http://maccracing.org/schedule/index.php>

The schedule is subject to change before and during the season. All updates to the schedule will be announced via the MACC emailed newsletter and posted here. The newsletter will be sent to the email address you provided at registration.

Job Assignments

We are a self-run organization, and all our racers perform a job assignment. For two-day race weekends you are required to work one job assignment. If you race all three days of a three-day race weekend, you are required to work two job assignments. All job assignments are worked on the opposite course that you ski on.

You can view some of the Job descriptions here: <http://maccracing.org/macc/jobs.php>

New Racer Qualifier

If you have never raced with us before, you will need to run the new racer qualifier before Race 1. This will help us determine which racing class to put you in, and subsequently what course you will be racing on. The new racer qualifier takes place on the F.I.S. slope and typically starts halfway down the hill. If you have any questions regarding the new racer qualifier you can contact Gary Bloodworth at garybloodworth@comcast.net

If you have any questions about our program you can email the following individuals:
