

Racer Ready?

The MACC eNews will be posted on Thursdays prior to race weekends and periodically as information needs to be shared. I am sending this out a day early to get you in the habit of signing up online for job assignments. <http://maccracing.org/macc-jobs/index.php> An updated eNews will be posted Thursday with any info needed for race weekend #1. Each eNews will also be posted on our website as well: <http://maccracing.org/news/index.php>

In years past we held our Officers/Directors/Race Reps phone conference call on Monday evenings prior to each race weekend. We have moved the call to Wednesdays this year, which means I won't have the latest news to report until Thursday. However, online job assignments are normally open Tuesday thru noon Thursday.

No Bikini Races This Weekend

Pull out the extra layers and the chili pepper, race fans. Gonna be a cold one:
