

Phew! That went by quickly

Thanks to Mark Scopes of Boyne and MACC officers / Course Directors for making the move last Sunday from Superbowl to North Boyne. Besides the “gentle breezes” we pulled it off in magnificent MACC fashion. Appreciate everyone’s flexibility. Our course crew made miracle race conditions out of snowcone slush. Thanks to Jason and crew and all the maintenance workers who kept us safe.

We are doing our best to communicate changes due to course or weather conditions. All notices will be sent out as an eNews blast and posted on our website and Facebook page. All Race reps will be contacted by the MACC President and asked that they relay the info to their team members.

We are at the final MACC weekend, and there is still snow on the ground. So we must race. *It’s what we do.*

We will have challenging conditions again this final weekend, but Jason feels course set and maintenance will be doable with some great teamwork from his crew and the rest of us MACC race workers. **PLEASE INSPECT THE COURSE IN & OUT ONLY TO PRESERVE THE COURSE SET. NO SLIPPING WHILE INSPECTING!**

WHAT YOU NEED TO KNOW THIS WEEKEND

1.) Friday’s slalom race will be on North Boyne

MACC table will be set up Friday in Civic Center Lobby (next to Ski School desk).

2.) Saturday GS and Sunday Cantor Cup Combined will take place on Superbowl/FIS. Boyne has rebuilt the starts and plans to do some “maintenance magic” for the hill to be race-ready for us. Jason and his crew will continue to make “magic out of snowhills” for safe, enjoyable racing.

3.) Team Results and World Cup points are posted on the website for those of you who pay attention to that stuff.

4.) If you race 3 days, you are required to work 2 job assignments.

5.) Cantor Cup Costume Opportunities! Put your “let’s have fun hat” on and come out in costume. We will be giving a PRIZE for best costume at the Othmar along with the Cantor Cup awards. No need to race in costume, unless you want to do so. Change into your costume after you race, and you will be among the contestants as well.

Thanks for reading all the way to the end...
